

CONTENTS

| | |
|----------------------------------------------------------------|-----------|
| 1. Navigating Cybersecurity for Accounting and Business | 1 |
| Chapter Outline..... | 1 |
| Learning Objectives (LO)..... | 1 |
| Introduction | 1 |
| What Is Cybersecurity? | 2 |
| Cybersecurity for Business..... | 3 |
| Cybersecurity for Accounting..... | 5 |
| Cybersecurity in Education..... | 6 |
| Cybersecurity Credentials and Career Paths..... | 8 |
| About This Book..... | 13 |
| Summary..... | 15 |
| Chapter Review..... | 15 |
| 2. IT Infrastructure | 19 |
| Chapter Outline..... | 19 |
| Learning Objectives (LO)..... | 19 |
| Introduction | 19 |
| Data..... | 20 |
| Data Protection..... | 21 |
| Data Storage Options..... | 22 |
| Data Backup | 26 |
| Components of IT Infrastructure..... | 29 |
| The Internet..... | 36 |
| Artificial Intelligence | 39 |
| Quantum Computing..... | 40 |
| Cryptocurrency and Blockchain..... | 40 |
| Auditing IT Infrastructure..... | 41 |
| Summary..... | 42 |
| Chapter Review..... | 42 |
| 3. Threats to Information Security | 47 |
| Chapter Outline..... | 47 |
| Learning Objectives (LO)..... | 47 |
| Introduction | 47 |
| Source of Threats—Who Is Responsible?..... | 48 |
| Assets—What Do Threat Actors Want?..... | 51 |
| Threat Motivation—Why Do Threat Actors Do It?..... | 53 |
| How Do Threats Lead to a Cyberattack? | 54 |
| Types of Threats..... | 55 |
| Threat Modeling | 63 |
| Threat Intelligence..... | 64 |
| Summary..... | 65 |
| Chapter Review..... | 65 |
| 4. Cybersecurity Vulnerabilities | 69 |
| Chapter Outline..... | 69 |
| Learning Objectives (LO)..... | 69 |
| Introduction | 69 |
| Identifying Vulnerabilities | 70 |
| The Attack Surface and IoT..... | 71 |
| Types of Vulnerabilities..... | 72 |
| Managing Vulnerabilities | 84 |
| Summary..... | 84 |
| Chapter Review..... | 85 |

| | |
|-------------------------------------------------------------------------|------------|
| 5. Information Security Risk and Risk Assessment | 89 |
| Chapter Outline..... | 89 |
| Learning Objectives (LO)..... | 89 |
| Introduction | 89 |
| What Is Risk? | 90 |
| Types of Information Security Risk | 90 |
| What Do You Have That Someone Would Want? | 93 |
| How Much Risk Is Acceptable?..... | 94 |
| How to Assess Information Security Risk | 95 |
| Risk Assessment Models and Frameworks | 98 |
| Risk Assessment and Risk Management | 100 |
| Summary..... | 100 |
| Chapter Review..... | 100 |
| 6. Information Security Risk Management | 105 |
| Chapter Outline..... | 105 |
| Learning Objectives (LO)..... | 105 |
| Introduction | 105 |
| Managing Cybersecurity Risk..... | 106 |
| Classifying Cybersecurity Controls | 106 |
| Cybersecurity Controls by Type..... | 107 |
| Risk Management Models and Frameworks..... | 121 |
| Cybersecurity Insurance | 123 |
| Summary..... | 124 |
| Chapter Review..... | 124 |
| 7. Cybersecurity, Governance, and Risk Management Frameworks | 127 |
| Chapter Outline..... | 127 |
| Learning Objectives (LO)..... | 127 |
| Introduction | 127 |
| Models, Frameworks, and Information Security..... | 128 |
| NIST Cybersecurity Framework 2.0..... | 128 |
| ISO/IEC 27001 | 135 |
| Control Objectives for Information and Related Technology (COBIT) | 137 |
| MITRE ATT&CK..... | 138 |
| Proprietary Cybersecurity Frameworks..... | 139 |
| Summary..... | 142 |
| Chapter Review..... | 142 |
| 8. System and Organization Controls | 145 |
| Chapter Outline..... | 145 |
| Learning Objectives (LO)..... | 145 |
| Introduction | 145 |
| Attestation Standards | 146 |
| COSO | 147 |
| AICPA Trust Services Criteria | 149 |
| System and Organization Controls (SOC) Reports | 151 |
| SOC 2 Reports | 155 |
| SOC 2 Report Sections..... | 157 |
| SOC 2+ Engagements | 162 |
| Using SOC 2 Reports..... | 162 |
| Summary..... | 163 |
| Chapter Review..... | 163 |

| | |
|-----------------------------------------------------------------------------|------------|
| 9. Cybersecurity Legal and Regulatory Environment | 167 |
| Chapter Outline..... | 167 |
| Learning Objectives (LO)..... | 167 |
| Introduction | 167 |
| US Federal Laws and Regulations..... | 168 |
| Cybersecurity and US State Laws | 174 |
| International Cooperation | 175 |
| International Cybersecurity Legislation | 177 |
| Prosecuting Cybercrimes | 181 |
| Summary..... | 182 |
| Chapter Review..... | 183 |
| 10. Accounting for Cybersecurity Damages | 187 |
| Chapter Outline..... | 187 |
| Learning Objectives (LO)..... | 187 |
| Introduction | 187 |
| The Need for Loss Estimates | 188 |
| Classifying Costs Associated with Losses..... | 189 |
| Direct and Indirect Losses | 190 |
| Tools for Estimating Losses..... | 201 |
| Measuring Losses Versus Controls with Annualized Loss Expectancy (ALE)..... | 202 |
| Materiality | 202 |
| Reporting Cyber Losses on Financial Statements | 203 |
| Summary..... | 205 |
| Chapter Review..... | 205 |
| 11. Privacy | 209 |
| Chapter Outline..... | 209 |
| Learning Objectives (LO)..... | 209 |
| Introduction | 209 |
| Why Privacy Matters | 210 |
| How Data Are Collected and Used | 211 |
| Privacy Policies | 212 |
| Privacy Frameworks..... | 213 |
| Privacy Regulation..... | 216 |
| Privacy and Digital Natives | 224 |
| Auditing Data Privacy..... | 225 |
| Summary..... | 225 |
| Chapter Review..... | 226 |
| 12. Geopolitics and Cybersecurity | 229 |
| Chapter Outline..... | 229 |
| Learning Objectives (LO)..... | 229 |
| Introduction | 229 |
| Geopolitical Cybersecurity Risks..... | 230 |
| Nation-State Threat Actors | 231 |
| Threats to Infrastructure..... | 236 |
| Healthcare Systems at Risk..... | 242 |
| Manufacturing and Supply Chain Disruption..... | 243 |
| Spreading Misinformation and Hacking Elections..... | 244 |
| Summary..... | 245 |
| Chapter Review..... | 245 |

| | |
|-------------------------------------------------|------------|
| 13. Protecting Individuals in Cyberspace | 249 |
| Chapter Outline..... | 249 |
| Learning Objectives (LO)..... | 249 |
| Introduction | 249 |
| Cybersecurity Risks for Individuals | 250 |
| Types of Digital Scams | 250 |
| Personal Cyber Hygiene..... | 257 |
| Staying Informed | 263 |
| What to Do When You Have Been Hacked..... | 264 |
| Summary..... | 264 |
| Chapter Review..... | 265 |
| Glossary | 269 |
| Index | 283 |
